- ❑ Fill the access form (1) with the credentials that have been given to you
- ❑ Click on the “Login” button to validate your access
- ❑ In case you want to get your password back, click “retrieve your password”

The screenshot displays the Improve International website interface. At the top left is the logo and contact information: "+31 207 084 107" and "e-Learning Login / Client Area need help?". A navigation bar includes links for "About us", "Continuing Education", "Do you know the diagnosis?", "ESVPS", and "Contact". On the left, a "Search" sidebar filters by "Role in Practice" (Veterinary Surgeon), "Area of Practice" (Small Animal), "Area of Interest" (All, Diagnostic Imaging, Feline, Medicine, Orthopaedic surgery), "Course Type" (Annual), and "Venue" (All). A green-bordered modal window titled "e-Learning Login / Client Area" is centered, containing fields for "Login" (with a user icon) and "Password" (with a key icon), a "Retrieve password" link, and a "Login" button. Below the modal, a link reads "Need help to login? Please take a this [tutorial](#)". The bottom of the page features a carousel of course cards: "Small Animal Surgery" (Amsterdam - 31-05-2014), "Small Animal Medicine" (Amsterdam - 17-05-2014), "Diagnostic Imaging" (Amsterdam - 24-05-2014), and "Feline Practice" (Amsterdam - 17-05-2014).

Note: If you have any problem to access your Client Area for the first time, press simultaneously “Ctrl” and “F5” on your keyboard.

- ❑ On the left-hand side of your Client Area you can find the courses that you are currently registered on (1)
- ❑ The “eLearning” button (2) allows you to go straight to your *e-learning* platform
- ❑ On your right-hand side, there’s a list with the next modules that you have, chronologically, on top (3). When clicking in a particular module, it’s details will be shown.

The screenshot displays the Improve International Client Area. At the top left is the logo. The main content is divided into two columns. The left column, under the heading "MY COURSES:", shows a list of courses. The first course, "Small Animal Surgery", is highlighted with a green box and labeled "1". Below it is "Small Animal Medicine" with a progress bar at 10%. To the right of these courses is an orange "eLearning" button, also highlighted with a green box and labeled "2". The right column, under the heading "NEXT MODULES:", shows a list of upcoming modules. The first module, "Small Animal Medicine", is highlighted with a green box and labeled "3". Below it are two modules for "Gastroenterology I..." and "Gastroenterology II...". At the bottom right, there is a "CALENDAR:" section for "2014 Maio" with a table of dates.
